

Porter Two-Cylinder Mobile Cart

Two-cylinder mobile cart (Cylinders are not included)

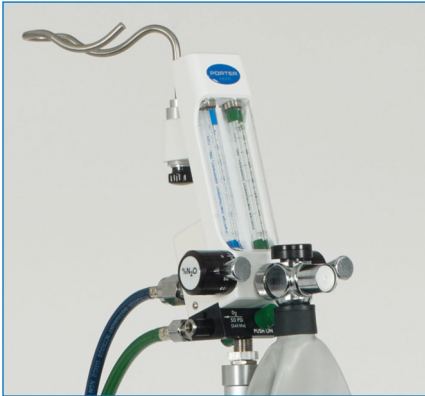

The Porter 2-Cylinder Mobile Cart is the latest free-standing mobile cart from Porter. Benefits of the new design include:

- Easy mounting of all Porter/Matrix devices including Nitronox, MXR, MDM, and Digital MDM
- Holds 2 E Cylinders
- Sleek and simple design
- N2O regulator with check valve
- Convenient storage basket
- Scavenger interface that clips to center post
- Locking wheels for safety
